Message from the President

We are now eight months plus into the one year trial period in our new location at the Austrian Cultural Center. By all measures the co-existence of the Austrian and the Danish Canadian Clubs in the same building has been a success.

Going forward we are going to see signage as well as flags on the building to show that both Clubs are housed in the same building.

We have shared a few functions and the Danish Club members have been made to feel very welcomed by the Austrian Club members.

The menu changes, with the addition of traditional Danish style meals, are a very welcomed feature and the new kitchen staff ensures a continuation of superior food quality being served at all times of the day. The addition of a Danish beer and Akvavit is also very much appreciated although the Austrian Stiegl beer has become a favourite of many Danish Club members.

We appreciate the support of the members, both in purchasing memberships and attending for meals and socializing. That was the whole reason for making this happen, enhancing the ethnic cultures.

Please be aware that both Clubs are keeping their own unique identities and there are no plans to change that. Each Club will have their own structure as before but work together where practical.

In looking back it would appear we did the right thing by selling the downtown property. The building was deteriorating fast and the location is no longer a desirable place for people to be walking to and from their vehicles at any time of the day.

Private functions of any size can be booked with a complete customized menu, so please take advantage of that when the occasion arises.

Per Andersen,
President

Notice to Shareholders of the Calgary Danish Canadian Club: Extraordinary Meeting

The board is hereby giving notice of an extraordinary shareholder meeting where we will be able vote on a motion that will provide financial security via a cultural donation to the Danish Canadian National Museum (DCNM).

The extraordinary meeting will be held on the 4th of March 2026, at 19:00 in the Main Hall at the Austrian Calgary Cultural Centre, 3112 11th Street NE, Calgary, T2E 7J1

The board will provide an overview presentation outlining the development of a working plan to provide financial security to the DCNM through structured donations.

This Cultural donation will be available to support the DCNM with their new building project and the renovation project of their dormitories. This plan will begin in 2027 and support them well into 2030 . These monies will be guaranteed, held and managed by the DCC and dispersed as the project reaches approvals of other grants and funding. This Cultural investment and donation will allow all members to enjoy many years of our Danish Heritage well into the future.

Meeting attendees must both own a share and have a valid family membership at the time of the meeting in order to participate.

Dinner will be provided at no charge for each preregistered shareholder in attendance.
Pre-registration can be done through communal at <https://dcc.getcommunal.com> or the office.

Dinner at 6:00 pm
Meeting at 7:00 pm
Cash bar

Membership:

Membership has its advantages. There will be a lot of news and special events in the coming months. Members will receive regular updates through our e-newsletters and other channels. Don't miss a thing!

Members have the opportunity to purchase tickets to member exclusive events and receive discounted tickets for other special events.

Membership is available to people of any ancestry. Each membership covers the member, their spouse and children under 18. Each annual membership is valid for one year from the date of purchase and is \$35/year.

The DCC club has transitioned to an online membership purchase/renewal system that also allows members to purchase event tickets for club events. The online system is produced by a local, Calgary company called *Communal*. Once setup members will be able to purchase and renew memberships, receive membership updates, renewal notices, generate actual or virtual membership cards and the update their membership information - all in one place. To access the Membership Portal, click [here](#) to get all the instructions you will need.

Family Membership Prices (Individual plus spouse and children under 18)
