

For Membership Renewals

Note you are only able to purchase a new membership if you have less than 30 days before the current one expires.

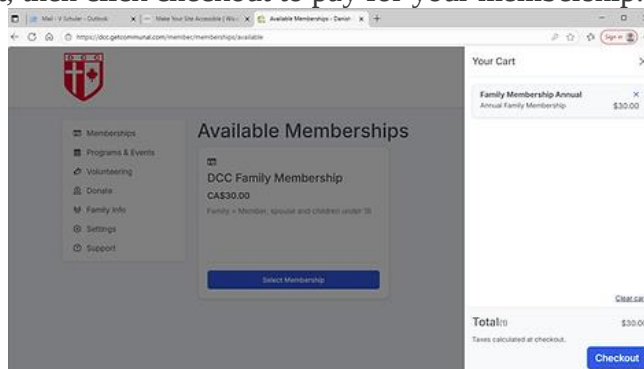

- If you have previously logged into the communal system you are ready to use the system
- Use a browser and go to <http://dcc.getcommunal.com> or click on the button below
- Login in to your account

- Select Memberships. Then select DCC Family membership

- Once done select next, then click checkout to pay for your membership.

- Fill out your payment info and click submit.

- Once the payment process is completed, you can print your membership card or purchase event tickets.
2. If you have **not logged** into the online communal system but are a **current DCC member** and we have **your email address on record**,
- You will need to set a password before using the new online system. To do that click on the link [Reset Password](#) or type <http://dcc.getcommunal.com/password/reset> into your browser

- Type in your email address and hit send, this will send a link to your email that will prompt you to enter a password. You have 10 minutes to reset/set your password.
 - Once you have done this, you can login to the system and use all its features
3. If you are a **current DCC member** but we do not have your email address on record
- Please complete and submit the form below so we may add that information to your account. Once we have added your email address to the system you will receive an email to set your password as in the above instructions
